

Getting Started

1. To start simply **“Rebuild Solution”**:

After clicking by **“Rebuild Solution”** the newest version of **SautinSoft.PdfFocus.dll** will be automatically installed from Nuget.

Well done!

Any additional info about installing PDF Focus .Net can be found here:

<https://www.sautinsoft.com/products/pdf-focus/examples/platforms-and-technologies.php>

Best wishes,
SautinSoft Team
